Replace your frustration over litter into action by becoming part of the LitterRANGERS litter cleanup volunteer program.

LitterRANGERS is a program established by the City of Burleson. Volunteers agree to pick up litter along roadways, drainage ditches, or other public areas. The City provides the trash bags, gloves and safety vests for volunteers. The volunteers must bring the litter collected to the City of Burleson for inspection and disposal. For every bag of litter collected, the volunteer earns one hour of community service work.

A City representative will help volunteers select an area to clean. The City will also execute an agreement with the volunteer, set up a litter pick up schedule, and discuss safety rules with volunteers. Volunteers earn one hour of community service work for attending a safety training meeting.

LitterRANGERS is open to volunteers who live in Burleson, including court-appointed volunteers. A parent or guardian must supervise volunteers who are age 18 or under when participating in any LitterRANGERS activity.

For more information, contact Bianca Chafin, the City's environmental programs specialist, at 817-426-9842 or go to www.burlesontx.com/LitterRANGERS.
