Sit outside the fence at Hidden Creek Golf Course if you want to see the fireworks show on the Fourth of July.

In years past, those who wanted a remote site to watch the City's fireworks show have parked at the golf course, 555 E. Hidden Creek Pkwy. You still can park at the golf course, and you can enjoy the clubhouse patio, but due to the ongoing redesign at the golf course, no one will be permitted to spread a blanket or set up chairs to watch the fireworks from the golf course side of the fence next to the I-35W service road. Fireworks fans will have to stay on the outside service drive side of the fence.

The sprigs and new grass on the golf course are still very wet so any traffic, including foot traffic, would damage that new growth. The driving range and the tee area will also be closed.

Drive up to the clubhouse area and enjoy food on the patio. The Restaurant at Hidden Creek Golf Course will be open and serving hamburgers, hot dogs, French fries and watermelon. Because the golf course has a license with the Texas Alcoholic Beverage Commission, no alcohol may be brought on to the golf course. Coolers will be checked.

Asleep at the Wheel will kick off the City of Burleson's Independence Day Celebration at the Chisenhall Fields Sports Complex, 500 W. Hidden Creek Pkwy., at 7:30 p.m. on Wednesday, July 4. Asleep at the Wheel will play until the lights go down for the fireworks show that is set to begin after 9:20 p.m. The show consists of both traditional and low aerial firework displays.
