Get out those crayons and colored pencils. The City of Burleson's parks and recreation department is looking for some talented third graders who are also Burleson residents to participate in the annual holiday coloring contest.

Two children — one lucky boy and one lucky girl — will be selected to ride with Santa Claus in the Burleson Rotary Club's Parade of Lights on Saturday, Dec. 6. The parade steps off from Kerr Middle School at 6 p.m. The two winners will also help turn on the lights at the City's Christmas tree lighting at 7 p.m. on Dec. 6 at the corner of Johnson Avenue and Ellison Street.

The Christmas coloring contest flier is available on the City website at www.bit.ly/Christmascoloring. This year's picture depicts an elf leaning on shelves of toys that are ready to be delivered in December.

Entries must be turned in by Wednesday, Nov. 26, at the BRiCk's welcome desk at 550 N.W. Summercrest Blvd. The winners will be contacted by Wednesday, Dec. 3. For more information about the contest, call the BRiCk at 817-426-9104 or 817-426-9106. The BRiCk is open 5 a.m.-9 p.m., Monday-Thursday; 5 a.m.-8 p.m. on Friday; 8 a.m.-8 p.m. on Saturday; and 1 p.m.-6 p.m. on Sunday.
