City asking for public input of Plaza design

A come and go meeting will be held 6 – 8 p.m. Wednesday, October 26 in the council chambers at Burleson City Hall, 141 W. Renfro, for public design input of The Plaza in Old Town

The Plaza development that is slated for Old Town has some great public space and the City is asking for the public's input on the design. A come and go meeting will be held 6 – 8 p.m. Wednesday, October 26 in the council chambers at Burleson City Hall, 141 W. Renfro. The public presentation will be hosted by Gateway Planning, TBG Partners and Integrity Group.

BACKGROUND

In January 2016, the City issued a Request for Proposal (RFP) for a mixed-use development, which will include retail, restaurants, residences and a higher learning facility in Old Town. As part of the mixed-use development the City required for a plaza to be constructed in the area between the new building at 135 W Ellison and City Hall, 141 W Renfro. Integrity Group was selected as the developer by City Council in April 2016 and the design process has been underway since then.

The Plaza portion of this development will be designed with public input through meetings, workshops and impromptu social media polls.
