Laura Gay named Employee of the Quarter

Laura Gay, staff accountant, was named the Employee of the Quarter.

Serving internal customers with a constant smile on her face and her willingness to always assist in any way needed are a few reasons Laura Gay was named the City of Burleson's employee of the quarter (October – December).

Laura started with the city's finance department in August 2011 and she has found herself as the go-to person whenever any employee has questions concerning their paychecks.

"Laura does a great job assisting employees to understand the deductions from their paychecks," states her nomination form. "And she does it in a way that makes it easy to understand, even for someone without a finance background."

"My favorite part of my job is that I am helping each employee take care of themselves and their families," said Laura.

Laura's smile and positive attitude were mentioned on several of her nomination forms. "Laura is such a pleasure to deal with," states one nomination form. "She is always helpful and kind and never turns away anyone due to her workload."

Laura was honored at the December 11 City Council meeting. The city's employee of the quarter award is based on an employee's efficiency, transparency, honesty, innovation and customer service, all of which make up the city's ethics statement.
