Suspect detained for threat against school

The juvenile suspect is being detained and transferred to the custody of the Johnson County Juvenile Services for violation of Texas Penal Code 42.06.

Again, we stress the seriousness of words, and we encourage parents to talk to their children about not making threats of violence by any means, direct or through social media. We must and will take any threats that compromise the safety of our schools or other public spaces very seriously. We ask that the community stay vigilant and continue to report any threats of violence in our schools.
