Breakfast of Champions to honor Senator Powell

The Burleson Opportunity Fund's Annual Breakfast of Champions will be held on October 10 and will honor Senator Beverly Powell for her role in education within our community.

The Burleson Opportunity Fund's Annual Breakfast of Champions will be held on October 10.

This year, Senator Beverly Powell will be the honoree.

Senator Beverly Powell, a lifelong resident of North Texas and a determined advocate for public education, has spent four decades as a successful real estate professional. Throughout her career, Beverly Powell has been instrumental in the development of successful commercial and residential projects across Tarrant and Johnson counties.

A graduate of Burleson public schools and the daughter of a Texas history teacher, Beverly developed a passion for education very early. A non-traditional student and single mother, she went back to college, graduating cum laude from her parent's alma mater, Texas Wesleyan University, where she also earned an MBA. Beverly's belief in the power of education and her passion for the Texas Wesleyan commitment to non-traditional students earned her a position on the school's Board of Trustees, where she continues to serve today.

Beverly served her community as a trustee for the Burleson Independent School District from 2007 to 2017. Her motivation to broaden the public education experience was the reason her colleagues elected her to two terms as President.

Beverly is proud to serve Senate District 10 in Tarrant County and will continue to fight for a vibrant economic environment and access to educational opportunities for all Texans.

The Burleson Opportunity Fund is changing the expectations of students, teachers, parents, and community members to include the idea that all Burleson High School graduates will have the opportunity to attain higher education and to cultivate the economic development benefits of expanding the attainment of post-secondary degrees

and career certifications. To date, the Burleson Opportunity Fund has awarded 1275 students with scholarships to attend
