

NOTICE OF 2018 TAX YEAR PROPOSED PROPERTY TAX RATE FOR CITY OF BURLESON

A tax rate of \$0.7350 per \$100 valuation has been proposed for adoption by the governing body of City of Burleson. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of City of Burleson proposes to use revenue attributable to the tax rate increase for the purpose of growth in demand for services in public safety, market adjustments in employee salaries, and increased health insurance costs..

PROPOSED TAX RATE	\$0.7350 per \$100
PRECEDING YEAR'S TAX RATE	\$0.7350 per \$100
EFFECTIVE TAX RATE	\$0.6984 per \$100
ROLLBACK TAX RATE	\$0.7487 per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Burleson from the same properties in both the 2017 tax year and the 2018 tax year.

The rollback tax rate is the highest tax rate that City of Burleson may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS
FOLLOWS:

$$\text{property tax amount} = (\text{rate}) \times (\text{taxable value of your property}) / 100$$
