#	RESPONSES	DATE
1	Neighborhood yard code compliance and this ridiculous traffic. Also, stop all the apartment buildings, Burlleson doesn't have the road space for all the extra people.	6/15/2022 6:16 PM
2	The library expanding their digital collection and their research librarians.	6/15/2022 4:40 PM
3	With so many people and businesses moving to Burlleson, I think the city needs to focus on planning the streets and lights to accommodate for the increased traffic.	6/15/2022 8:21 AM
4	Stop approving car washes we don't need one on every corner wasting water! Thanks	6/14/2022 5:44 PM
5	Lowering property taxes	6/13/2022 7:29 PM
6	Roads in the outskirts of the town like Cindy Court. Would be super useful to have a coffee shop/snack truck near the play area in downtown. Yum!	6/13/2022 8:10 AM
7	Summer library programming!	6/12/2022 7:34 PM
8	Traffic and street improvements.	6/12/2022 4:46 PM
9	1. I would like to make a law protecting this community from any monies being used to support drag queens in any capacity. 2. I would like to pass a law making our city a dry city decreasing crime and increasing morality. 3. I would like the city to return all unused tax monies back to the people instead of planning new ways to spend our money. Ex. I see Burlleson city with beautiful flowering trees and manicured grass and parks I can't use without paying for them, while my home sits without these things. That's not right.	6/12/2022 4:05 PM
10	Shannon Creek park needs trees to be planted to replace those that were taken out during Candler construction. Playground somewhere on the west side needs to happen soon (Shannon Creek, Reverie, Tanterra, and Prairie Timbers do not have the same playground access that the other side of the city has. Our nearest playground is barely in bike riding distance, and that one needs renovation (in Wakefield).	6/12/2022 3:33 PM
11	School safety, door jamming tools, post into floor, cameras in classroom with cameras.	6/12/2022 11:21 AM
12	Trash clean up, specifically on S Hurst Rd intersecting with Cardinal Ridge	6/12/2022 9:55 AM
13	Would love to see the CR 1902 project take priority, as a lot of kids walk to school.	6/11/2022 3:39 PM
14	I would love to see a skate park put in for the kids. I think that would help them to stay out of areas they aren't supposed to skate in. The closest skate park is in north Fort worth and I believe it would give a great opportunity to bring in people from other cities and in general give kids a reason to get off the computer.	6/11/2022 2:32 PM
15	Re-do Edgehill completely with proper drainage, sidewalks, bike path, more street lights and a "lookout" point to exploit amazing views of Burlleson.	6/11/2022 2:04 PM
16	Street and sidewalk repair and maintenance	6/11/2022 1:06 PM
17	Allocate more resources to the police dept to keep our city and schools safer.	6/10/2022 9:03 PM
18	STOP GROWING so fast. We moved here and live here because we love our close community. It's ok to want to grow but do it at a slower pace. The traffic is horrible and the traffic light situation is a joke. At least get them in sync for more than a few seconds. You should be able to drive thru town and make every green light if driven at correct speed. The light at Renfro and 174 only lets a couple of cars turn at a time!!	6/10/2022 2:12 PM
19	I would like to see budget money be given to the parks so that we can use that money to	6/10/2022 9:32 AM

Fiscal Year 22-23 Budget Input

better inform our residents on our many parks and upgrade some of the parks that are lacking in parking and walking paths.

20	Metal detectors in all BTX schools, or another safety plan equivalent in safety. (- a teacher and a mother)	6/10/2022 9:13 AM
21	School security as well as paying teachers / hiring teachers for schools so coaches don't have to "teach" (not all coaches are like this but there are coaches in middle and high schools that don't teach and instead just rip off notes and stuff from other people and just read off and don't actually teach students.)	6/10/2022 3:57 AM
22	Mosquito management in public parks	6/9/2022 8:41 PM
23	More park amenities and library programs for children and families. Families need cheap/ free options to still have fun & quality time together.	6/9/2022 6:29 PM

30	The Senior Activity Center needs to have the whole building inside remodeled it looks old and run down. I like to see a fitness gym there, and also food provided at a low cost for anyone that wants to eat there Monday thru Friday. 32	Sidewalks in Mistletoe Hill	6/8/2022 10:11 PM
33	Surveillance/ Monitoring the new splash pad. Too many parents are dropping kids off and leaving or going to the brick and not supervising their children who are running wild and hurting smaller children.	6/8/2022 8:43 PM
34	School Safety	6/8/2022 8:42 PM
35	Road projects	6/8/2022 8:13 PM
36	Parks	6/8/2022 7:58 PM

38	Sidewalks on Cardinal Ridge, Parkridge, and Evandale.	6/8/2022 6:32 PM
39	Road projects and library	6/8/2022 6:20 PM

41	Fire and Parks	6/8/2022 5:45 PM
42	City parks and open space improve our physical and psychological health, strengthen our communities, and make our cities and neighborhoods more attractive places to live and work. Numerous studies have shown the social, environmental, economic, and health benefits parks bring to a city and its people.	6/8/2022 5:37 PM
43	A greenbelt connecting all the bike paths and walking paths	6/8/2022 5:17 PM
44	All parks should have shade coverings over playground areas.	6/8/2022 4:39 PM
45	More older neighborhood streets need new paving	6/8/2022 4:38 PM
46	Environmental policies. Earth friendly, sustainable, less pest control. We need our pollinators.	6/8/2022 4:13 PM

Fiscal Year 22-23 Budget Input

	Make green spaces, pollinator friendly, native, less lawns more habitats.	
47	Rework Helen from Wilshire to the roundabout at Alsbury. Widen the street and add sidewalk on one side of Hulen.	6/8/2022 3:41 PM
48	Too many apartments	6/8/2022 12:57 PM
49	Roads 174/Wilshire too much traffic.	6/8/2022 12:52 PM
50	Cut down those visual obstacles on Renfro lest you want the street to be lined with crosses.	6/4/2022 7:26 PM
51	Traffic issues within Burleson, also securing future public park/spaces with the new community developments coming in.	6/1/2022 1:15 PM
52	Repair some of the roads that are failing. Work on traffic signals that aren't timed correctly on Hidden Creek. Improve code enforcement, city has a lot of areas that have junk and debris that need cleaned up. Areas looking trashy	5/27/2022 11:25 AM
53	Over 55 population	5/24/2022 11:24 PM
54	I feel like more of the parks need bathroom facilities.	5/24/2022 9:26 PM

56	Street and Traffic Control	5/23/2022 3:37 PM

58	Road projects. Parks and trails.	5/22/2022 8:39 PM
59	Would be amazing if there was a curbside composting system like FW has! And also a plastic recycling program along with more education on what can and can't be recycled in the curbside bins.	5/22/2022 8:33 PM
60	174 beautification, better traffic management on 174	5/22/2022 1:50 PM
61	Repair streets properly! Sw Hulen is a joke after being resurfaced, HS kids could do a better job. Instead of city crews doing hire professionals. Communications to the people need to improve! Hold council meetings in the evenings, 7 pm, so more people can attend!!! Are you afraid someone could go against your wishes. The city laws should be for EVERYONE, council members shouldn't be getting a pass. Be for the people not a party you represent(republican or democrat)!! Let's get Burleson moving in the right direction	5/21/2022 9:57 AM
62	Yes, more traffics lanes from Burleson to Joshua.... Better traffic control devices.	5/21/2022 8:37 AM
63	Prepare for the growth that is happening and will be happening in the coming years.	5/20/2022 10:38 PM
64	Use quality contractors to build and/or repair roads. Don't waste our money on the contractor that resurfaced Hulen. It's like driving on a washboard and was a total waste of money.	5/20/2022 10:32 PM
65	Parks	5/20/2022 10:30 PM
66	Let's get behind the mountain bike trails and expand them and make burleson mountain bike Mecca.	5/20/2022 8:56 PM
67	Traffic	5/20/2022 8:39 PM
68	More trails	5/20/2022 6:52 PM
69	Traffic on Hwy. 174. I realize that this is probably not within city budget but did want to express my concern about the increasing traffic backup on 174 and our lack of escape routing should we have a citywide emergency requiring quick evacuation,	5/20/2022 5:42 PM
70	Fix the bad roads and not waste money on frivolous things. Once a project is started, finish it in a timely manner. Do not start a four month long in December knowing it can't be worked on in the cold.	5/20/2022 3:18 PM
71	Streets and traffic control	5/20/2022 2:56 PM
72	Upkeep on Residential streets	5/20/2022 2:54 PM
73	Park amenities equal throughout the entire city.	5/20/2022 2:07 PM

Fiscal Year 22-23 Budget Input

74	Yes. Road repair and signal traffic. Police and fire staffing shortages, if any.	5/20/2022 2:06 PM
75	road projects should be number 1, roads are too congested and are getting damaged	5/20/2022 1:52 PM

82	no	5/20/2022 12:39 PM
83	Far too many drivers ignoring traffic controls and speeding.	5/20/2022 12:28 PM
84	Senior exercise classes at the Brick. We only have one plus a water aerobics class	5/20/2022 11:43 AM
85	Refer to question 1 for specific areas.	5/20/2022 11:30 AM
86	Please re-evaluate what new businesses can come here. We are overrun with banks, car washes, and chicken places even if they are on the Fort Worth line. Streets are getting bad. I live over by the Brick. Summercrest is a nightmare with potholes and terrible patching. Most of the intersections within the STEAM school area are also potholes. One that was recently "fixed" has already sunk and is as bad as it was. If you want pics, I'll be glad to send them. Of course, then there's Wilshire! I know it's a state Highway, but it's become an accident waiting to happen. I can here 3-4 different sets of sirens everyday due to the accidents. People are finding other paths which are deteriorating our side streets. Please work with the state on this very important issue! Code compliance needs to monitor grass cutting/ trash in yards and issue lots more citations.	5/20/2022 11:28 AM
87	Road improvement	5/20/2022 10:45 AM
88	road repair, not designer sidewalks	5/20/2022 10:43 AM

There are number on the northbound side that need to be removed as well. 3. The railing by the police station at Wilshire and Elk Drive has been broken for years.	5/20/2022 8:14 AM

110	Road projects	5/20/2022 7:22 AM
111	Road expansion	5/20/2022 7:21 AM
112	none	5/20/2022 7:20 AM
113	More funds to police & fire departments for equipment, training, personnel. Animal control services need to be expanded to 7 days/week, more personnel, bigger facility.	5/20/2022 7:10 AM
114	RECREATION	5/20/2022 7:08 AM
115	Making Wiltshire St look nicer, tearing down old buildings, fixing roads, adding plants and foliage	5/20/2022 6:59 AM
116	Don't tear down ball parks to add more shopping	5/20/2022 6:58 AM
117	Over-bulding, streets and parking. Where do we think all these additonal vehicals co ming with these new residets are going to park , traffic is bso ads is just about out of control as it is becoming nearly impassable as it is now.	5/20/2022 6:53 AM
118	Speed bumps on Blayke st. People drive unsafe	5/20/2022 6:49 AM
119	Police	5/20/2022 6:47 AM
120	I think the City should focus on those of us paying City Taxes without City Services!!	5/20/2022 6:47 AM
121	Keeping more green space	5/20/2022 6:34 AM
122	Police, police, police. Can't stress it enough, we need more officers and we must get Chief Cordell working capital monies immediatly. The city received over \$13M in ARPA money, which we've been told by Langley dozens of times, that the ARPA money can be moved to different entities declared "emergency services"....so cough up a few mil and get it to the BPD to begin taking them to the next level. The city put the BFD on top of their list, so now it's time to reciprocate the same type of finding to get Chief Cordell what he needs to make Burlson more safer	5/19/2022 8:27 PM
123	Making the parks more accessible for handicapped children.	5/19/2022 6:14 PM
124	Covering the playground equipment	5/19/2022 1:20 PM
125	Parks/ kid friendly amenities	5/19/2022 12:42 PM

127	Road projects	5/19/2022 11:33 AM
128	Better roads and more sidewalks!	5/19/2022 10:10 AM
129	Getting our streets fixed and adding lanes where appropriate.	5/19/2022 9:47 AM
130	I would like to see some basketball 1/2 court and volleyball area added to parks around the city, currently there is only one basketball at Warren Park and that is part of the tennis courts. Teens need activities, this is lacking majorly in Burlson. in every survey people want to see entertainment venues, bowling , go-carts, mini-golf added to city, have to go outside city for these. Next traffic on Wilshire-get rid of those blinking yellow turn arrows, with 4 lanes including turn lane -you cant see past vehicles sitting in turn lane to safely maneuver across lanes going 45-50mph on unprotected turn. Next - get rid of U-turns on Wilshire at major intersections Wilshire-Renfro, Wilshire-Hidden Creek, Wilshire-John Jones. there is high traffic at these intersections and U-Turns should not be allowed, there is enough intersections that a	5/19/2022 8:30 AM

Fiscal Year 22-23 Budget Input

person could go to next intersection or turn lane to turn around. U-turns need omitted. for safety. Next what happened to the road improvement at Wilshire and SE Gardens/Johnson Rd. Why in the heck did the city allow a cut threw street in front of AutoZone- Dunkin Donuts to come out on SE Gardens?? this only made the small intersection worse. There is a narrow space to come off Wilshire to turn on Gardens, then make Turn on Johnson only to have to yield to traffic going across Wilshire, then watch for idots barreling across from the cut threw street. Close the cut threw and make vehicles go thru parking lot exiting out at side of AutoZone bringing the traffic out several feet from the Johnson intersection. Next Close Johnson make route traffic to next street bringing to side of Kerr...Seriously people come one.... The Senior Center needs a face lift, the dark marron paint is awful, repaint to something uplifting. -- your small box for comments , obviously you dont want much input
